CAPO 1

G D G D G D G D

G D When I walk beside her
C I am the better man
G When I look to leave her
D I always stagger back again

D Once I built an ivory tower
C So I can worship from above
When I climb down to be set free
D She took me in again

D There's a big,
a big hard sun Am
Beaten' on the big people
In the big hard world D

D When she comes down to greet me
C She is mercy at my feet
When I see her pin her charm
D She just throws it back at me

D Once I dug an early grave
C to find a better land
G She just Smiled and laughed at me
D and took her bruise back again

D There's a big
A big hard sun Am
Beaten' on the big people
In the big hard world D
2x

D Once I stood to lose her
C When I saw what I had done
G Bound down and flew away the hours
Of her garden and her sun

D So I tried to warn her
C I turned to see her weep
G 40 days and 40 nights
And it's D still coming down on me

D There's a big
A big hard sun Am
Beaten' on the big people G
In the big hard D world
